

GLOW & GOOGLE CLASSROOM LOGIN INSTRUCTIONS

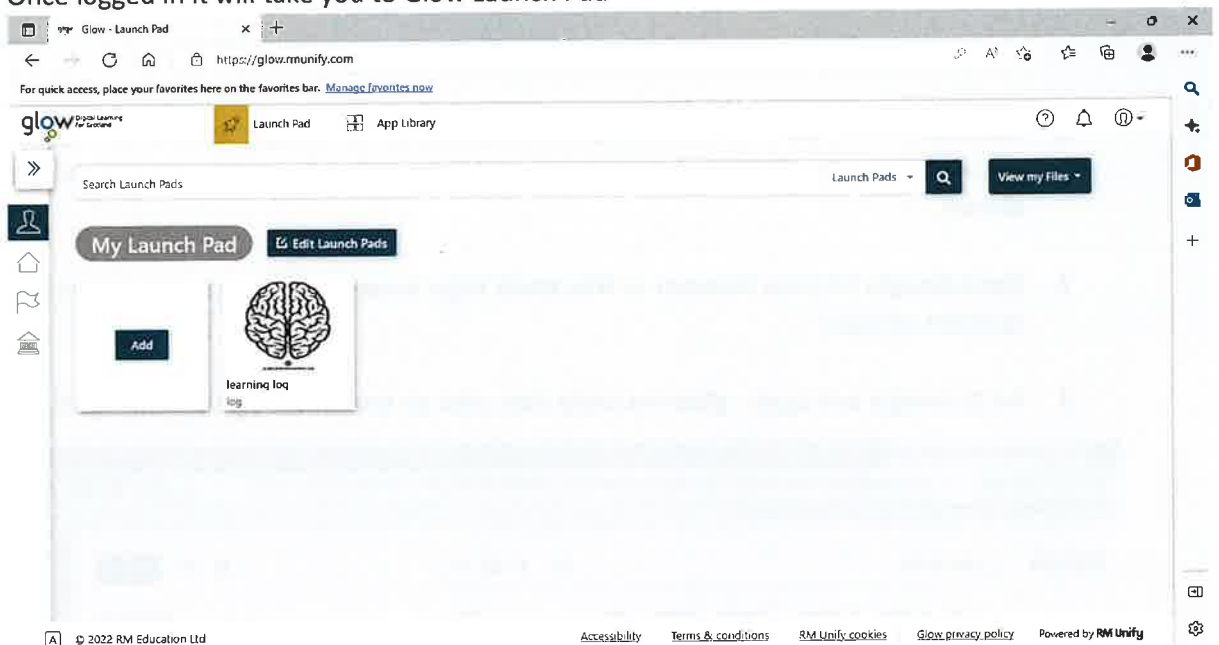

1. Make sure all email or social media accounts linked with Google or Gmail are logged out of and web browser windows have been closed by pressing the x at the top corner of the screen.
2. Open Google Chrome Browser or Microsoft Edge browser. (Make sure you have the latest updated version)
3. Go to Google and type: **glow rm unify** then click on the Glow - Sign In – RM Unify link

4. Type in username and password (only pupils should do this) There usernames and passwords were given to them in class and all pupils have successfully logged on in class.

5. Once logged in it will take you to Glow Launch Pad

6. Next click on the **house symbol** on the left hand side of the screen. This will take you to the home page with all the tiles (apps) that pupils can access.

7. To access Google Classroom, click on the **Google Classroom** tile (app)
